

EFC Career Services presents:

CAREER EXPLORATION WORKSHOPS

Fall 2008

**Not sure what to major in or what to do for your career?
If so, this introductory career self-assessment workshop
may be just right for you!**

In this interactive small-group setting, you will learn how your interests, skills, and values can impact your choice of major and career.

- All participants will complete the Self-Directed Search during the workshop.
- The results will be explained by a Career Planning Specialist.
- The workshop will also include tips on how to effectively research careers so you will be equipped to make solid career and college major decisions.

No pre-registration is necessary. Space will be limited to the first twenty people to arrive.
