National Science Foundation – Science Technology Expansion Program

Dr. Arthur Benjamin

is both a professor of mathematics and a magician.

He has combined his two loves to create a dynamic presentation called "Mathemagics," suitable for all audiences, where he demonstrates and explains his secrets for performing rapid mental calculations faster than a calculator.

Reader's Digest calls him "America's Best Math Whiz".

He has presented his high energy talk on over a thousand occasions to audiences throughout the world.

Visit his website:
